

Financial Policy

Thank you for choosing Smiles by Design! Our primary mission is to help our patients reach the highest level of oral health possible so they may enjoy the benefits of a functional, attractive smile. An important part of the mission is making the cost of optimal care as easy and manageable for our patients as possible by offering several payment options.

Payment Options:

You can choose from:

- Cash, Check, Visa or MasterCard
- NO INTEREST¹ Payment Plans² from CareCredit
 - * Allow you to pay over time with NO INTEREST¹
 - * Convenient, low monthly payment plans² also available
 - * No annual fees or pre-payment penalties

Please note:

- Smiles by Design requires payment prior to the completion of your treatment. If you choose to discontinue care before treatment is complete, you will receive a refund less the cost of care received.
- We accept payment in no-less-than thirds for treatments over \$500.
- For patients with dental insurance, we are happy to work with your carrier to maximize your benefit and directly bill them for reimbursement for your treatment. However, if we do not receive payment from your insurance carrier within 60 days of treatment, you will be responsible for payment of your treatment fees and collection of your benefits directly from your insurance carrier.
- A **minimum** fee of \$35 is charged for patients who miss or cancel more than 1 time in a calendar year without 48 hours notice.
- Smiles by Design charges \$35 for returned checks.
- We reserve the right to charge a fee for transfer of records to another dental office for reasons other than direct referral to a specialist for treatment overseen by Dr. Boone.
- If you have any questions, please do not hesitate to ask. We are here to help you get the dentistry you want or need.
